I have the honour to state that the Secretary, Municipal High School Committee, Hoskote, in his letter No. 125/46-47 dated 5th June 1947 has requested the Board to place the entire District Board Musafirkhana building at Hoskote at their disposal for the purposes of holding High School classes. Last year only a portion of the building was handed over to the Municipality for holding only I year Class. As II year Class has been opened during the current year and as there is not sufficient accommodation for the same, the Board at their meeting held on 24th and 25th September 1947 have resolved that the entire building, with the reservation of one room for the District Board, may be handed over to the Municipal High School Committee temporarily for the location of the High School pending construction of the High School Buildings.

Correspondence ending with letter No. H3. 3684-19 of 45-46, dated 4th June 1946, from the Director of Public Instruction in Mysore, regarding the opening of a Municipal High School at Hoskote, Bangalore District.

ORDER No. E. 874-76—EDN. 44-45-32, DATED BANGALORE, THE 8TH AUGUST 1946.

Both the Director of Public Instruction and the Deputy Commissioner, Bangalore District, state that there is need for a High School at Hoskote. The Municipal Council, Hoskote, have agreed to meet their share of the recurring cost and also to pay Rs. 5,000 for the guarantee fund and Rs. 3,000 for initial equipment for the school. It is stated that the District Board, Bangalore District, will contribute Rs. 300 in the first year, Rs. 400 in the second year and Rs. 500 in the third year towards the recurring charges of the High School.

2. It is reported that the local High School Committee has so far collected from public subscriptions a sum of Rs. 22,000 towards the construction of a building for housing the school and a further sum of Rs. 5,000 is expected to be collected for the purpose. The Municipal Council, Hoskote, have consented to meet the balance of the amount required for the building, if further subscriptions for the purpose cannot be raised. Till the building is constructed, it is proposed to house the school in the local District Board Musafirkhana building.

3. In the circumstances, the Director of Public Instruction recommends that a Municipal High School may be opened at Hoskote with effect from the school year 1946-47. The recommendation of the Director is sanctioned. The grants payable by the department during the year 1946-47 will be met out of the lump-sum provision of Rs. 25,000 made in the budget of that year for payment of grants to Aided High Schools and necessary provision will be made in the budgets of the subsequent years.

4. The details regarding the classes to be opened, the fee income expected, the expenditure to be incurred, the grants to be paid by the Government, etc., in regard to the school are as shown in the statement appended to this order.
